

Promotion of peace and non
aggressive behavior in European
countries
in ZS2 Czerwionka

**We organize events connected
with fighting aggressive
behaviours in the Internet**

One of them was SAFE INTERNET DAY

Another was PEACE DAY

We also took part in the events connected with children's/ humans' rights

Agression always has its source.

**We try to involve our students
in gaining good manners
at the early stage**

-

**Our students and their Savoir Vivre
works**

**There are voluntary actions
organized to help unwanted
animals and fight against
aggressive behaviours
towards them**
